

About the Authors

Granville Barnett

Granville is currently a Ph.D candidate at Queensland University of Technology (QUT) working on parallelism at the Microsoft QUT eResearch Centre¹. He also holds a degree in Computer Science, and is a Microsoft MVP. His main interests are in programming languages and compilers. Granville can be contacted via one of two places: either his personal website (<http://gbarnett.org>) or his blog (<http://msmvps.com/blogs/gbarnett>).

Luca Del Tongo

Luca is currently studying for his masters degree in Computer Science at Florence. His main interests vary from web development to research fields such as data mining and computer vision. Luca also maintains an Italian blog which can be found at <http://blogs.ugidotnet.org/wetblog/>.
