About this manual vii
Important safety information vii
Online support viii
Support telephone numbers viii

Chapter 1. General information 1
The IBM Documentation CD 3
Hardware and software requirements 3
Using the Documentation Browser 3
Related publications 4
Notices and statements used in this book 5
Features and specifications 5
Major components of the BladeCenter Type 8677 unit 8
Front view 9
Rear view 10
BladeCenter unit power, controls, and indicators 11
Starting the BladeCenter unit 11
Shutting down the BladeCenter unit 12
BladeCenter components, controls, and LEDs 13
Setting up the BladeCenter unit 17
Connecting to the default IP address on a new BladeCenter 19
Registering and profiling the BladeCenter products 19

Chapter 2. Configuring your BladeCenter unit 21
BladeCenter unit power requirement 22
BladeCenter power configuration 22
Firmware updates 22
Configuring the BladeCenter unit 23
Configuring the management module 23
Communicating with the IBM Director software 23
Configuring I/O modules 24
Configuring blade servers 24
Using IBM Director 24
About the wizard 25
Starting the wizard 25
Using Remote Deployment Manager Version 4.1 or later 26
BladeCenter networking guidelines 26

Chapter 3. Diagnostics 29
Diagnostic tools overview 29
Identifying problems using the Light Path Diagnostics feature 29

Chapter 4. Installing options 31
Installing the BladeCenter unit in a rack 31
Installation guidelines 31
System reliability considerations 32
Handling static-sensitive devices 32
Installing and removing modules 33
The BladeCenter modules 33
Installing a module 37
Removing a module 38
Installing and removing the acoustic module option 40
Installing the acoustic module option 40

© Copyright IBM Corp. 2009

Removing the acoustic module option 41
Installing and removing blade servers 41
Blade server expansion options 41
Installing a blade server 43
Removing a blade server 45
Completing the installation. 46
Input/output connectors 46

Chapter 5. Service replaceable units 47
Replacing a blower module 47
Media tray 48
Removing the media tray 48
Removing the media-tray cover 48
Optical or diskette drive. 49
Installing SuSE to a SCSI drive 50
Customer interface card and USB connector 50
CD interposer board 51
Switch, power, and cooling (SPC) chassis 52
Media-cable tray 53
Midplane 55
System LED panel 55
Front system LED panel 55
Rear system-LED panel 56

Chapter 6. Symptom-to-FRU index 57
Error symptoms 57
Light Path Diagnostics table 69
Temperature error messages 70
Blower error messages 70
Power error messages 71
Blade server error messages. 72
KVM error message 72
I/O module error messages 72
Management-module error messages 73
Bus error messages 74
Undetermined problems 75
Problem determination tips 76

Chapter 7. Parts listing, BladeCenter Type 8677. 77
Front view 77
Rear view 78

Appendix A. Getting help and technical assistance 83
Before you call 83
Using the documentation 83
Getting help and information from the World Wide Web 83
Software service and support 84
Hardware service and support 84
IBM Taiwan product service 84

Appendix B. Related service information 85
Safety information 85
General safety 85
Electrical safety. 86
Safety inspection guide 87
Handling electrostatic discharge-sensitive devices 88

Grounding requirements 89
Safety notices (multi-lingual translations) 89

Appendix C. Notices 129
Trademarks. 129
Important notes 130
Electronic emission notices 131
Federal Communications Commission (FCC) statement 131
Industry Canada Class A emission compliance statement 131
Avis de conformité à la réglementation d'Industrie Canada 131
Australia and New Zealand Class A statement 131
United Kingdom telecommunications safety requirement 131
European Union EMC Directive conformance statement 131
Taiwanese Class A warning statement 132
Chinese Class A warning statement 132
Japanese Voluntary Control Council for Interference (VCCI) statement 132
Korean Class A warning statement 133
Power cords 133
